Dear Sir:

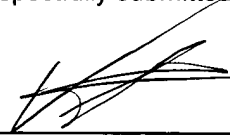

This is in response to the Office Action of December 15, 2004, requiring restriction to one of the following inventions: Group I, claims 1-14 drawn to an electromagnetic wave apparatus, or Group II, claims 15-24, drawn to a method of testing a device.

Applicant elects the invention of the claims of Group 2, claims 15-24, to be examined. Therefore, claims 15-24 are requested to be examined in this application, and claims 1-14 are withdrawn. Applicant reserves the right to file a divisional application on the remaining claims.

Should the Examiner have any comments, questions or suggestions relating to a speedy disposition of the application, the Examiner is invited to call the undersigned.

Respectfully submitted,

By:
